"What's the matter with Albuquer- republic. que?" may be answered by saying that there isn't anything wrong with FASCINATING STORY
Albuquerque when there is someone of MISSIONS TOLD
to take the initiative, to point out the way for Albuquerque to do things. It time in the history of Albuquerque when something had to be done for the welfare of the town or its citizens that the something was not done if there was proper direction through executive channels. Albuquerque is willing to do the right thing every time; this has been demonstrated on occasions without number for twenty-five years and more. Albuquerque has a loyal citizenship and one that is willmay be said that there never was a a loyal citizenship and one that is willing to make sacrifices. All that is
needed is a man or group of men to
nesume leadership. With proper leadcrship Albuquerque will do anything

President Yuan Shi Kai Warns People of Disaster Which Awaits Nation and Their Freedom.

(Associated Press Correspondence.) Peking, July 21.—Yuan Shi Koi ntered at a resent cabinet meeting an impressive plea for united action in China which made a deep impression apon Chinese officials. Its publication in English today caused much discussion among fereigners. The Peking Charity of the China and the Chin "couched in the usual innguiste of over-emphasis "but makes no attempt to discount the seriousness of the dis-

ever I review our present altuation, were the opening words of the presi dent's appeal to the cabinet. "It seems to me that the general policy of the nations of the world is to con oner a weak country, to invade the country which has forfeited the con-fidence of the other nations, to force order upon the country which is in a force the country which is on the verge of ruin. In other words, as many foreigners ciaim, it is the heavnatoin to annex and control a nation which is barbarous or semi-rivilized

"Our coutry does not manifest any sign of instability, chaos or the lack of confidence of other nations and it is most unlikely that any nation for the present will invade or insuit our country. But when we think of the neglect of discipline by our soldiers, the irregularities in administrative affairs, the calamities of floods and drought throughout the provinces. the selfishness of some officials and the lack of public spirit among the people, we cannot help realizing the fact that we are enjoying conseives while reposing on a bed of straw with a kindling fire beneath it.

President Yuan Shi Kai conclude his appeal with this warning "Now the situation of our country

is comparable to a small boat on pursue our pleasures and let thing-drift into the course of destruction. Above all do not forget the national disgrace of May the seventh (the acceptance by China on May 7, 1915, or the Japanese ultimatum under the terms of which Japan obtained extensive political and industrial conment and cast away your habitus taxiness and go shead with all your effort to avert the fate or impendito

Alexander Hamilton-"Father of American Credit"

nent part in every debate, and worked indefatigably on all the important committees. His genius, individuality and daring foresight are indelibly stamped upon every clause of our National Law-the law under which Americans are guaranteed for all time Religious, Commercial and Personal Liberty. During Hamilton's lifetime he used his great

influence to encourage and protect the brewing inclusery. Among all the Fathers of the Republic none knew better than he

that honestly-brewed barley-malt beers make for true temperance. This American Colossus, who was second only to Wash

ington in the service rendered to his country, drank good beer all his days. We know of no one who has yet dared

declare that it injured him in any way. Under the tenets of the Constitution, which Hamilton did so much to make

a fact. Anheuser-Busch & years ago launched their great institution. During these years they have honestly brewed honest beers. To-day 7500 people are daily required to meet the public demand. Their world-famed brand BUDWEISER

because of its quality, purity, mildness and exquisite flavor, exceeds the sale of any other beer by millions of bottles.

ANIEL WEBSTER says of Hamilton: "He smote the rock of National resources and abundant streams of revenue gushed forth; he touched the dead corpse of public credit and it sprung upon its feet."

No man did more to build the Constitution of the United States than did Hamilton. He took a promi-
